Top Animal Listing

- Description
- Procedure 1: Access the Top Animal Listing page
- Procedure 2: Search Area
- Procedure 3: Result Area

Description

- The Top Animal Listing feature consists of two section
 - Search Area
 - Result Area

This guide describes the Top Animal Listing page and its supported functions.

Procedure 1: Access the Top Animal Listing page

Top Animal Listing is a public page that the user could access without login, go to the site https://40.142.54.172/

The system redirect default to the Animal Listing is a public page.

		Queries Special Section * _ Top Animal L	isting Summary Stats 👻 Login
